## MARRIED,

On the 10th inst. by the Rev. J. Moffet, Mr. BENJAMIN F. HOPKINS of Madison Wisconsin, & Miss ETHALINDA LEWIS.

question from material involvements. S cers logic may suit angels, but not men, 2nd. Resolved: That too long confinement stice ever transcendental views we would wis inculcate, we must bear in mind the pos-. and practicable. Now, so long as Amer

in the school-room is injurious to the health, and discouraging to the intellects of children, and that as a general rule six hours of the twenty-four are sufficiently long.

3d. Resolved: That the office of School commissioner, created by the late legislature, is of vital importance to the educational interests of Ohio; and should be entirely disconnected with party politics.

4th. Resolved: That the relation which he has for years sustained to the cause in Ohio, his unwearled devotion to its best interests, & his intimacy with the best schools and teachiers in the State, preeminently qualify Lorin Andrews for that important office, and we will use our best endeavors to promote his election.

Inculcate, we always a calculation of all structures of the Now, so long as Amel Trepleton.

In Poisoning II

Thousands of parents who use Vermings composed of Castor Oil, Catomek, &c., are not aware, that while they are attained to the solth and the four last on the State of the III and the four last of the patient, they are attained to the adventisement of sight, weakless of thinks, &c.
